## ABOUT THE COMPETITION

AISAT is conducting a Paper Presentation Contest **AVANZA'12** on "Inspiring Lives in Electronics or Electrical Engineering".

Scientists have made enormous contributions towards the advancement of human civilization. Throughout the history of the world, many scientists have dedicated their lives for research and innovation. These legends have brought us out of the Dark Ages to an age of scientific inquiry, methodology and insight based upon facts, observation and experimentation. Hence it is important for us to know more about these legends who walked before time.

The participants are expected to prepare a write-up about a Scientist who inspired them. The write-up should include the following details:

- A) why have you chosen this Scientist?*
- B) A brief biography of the Scientist.*
- C) Findings/ contributions of the Scientist.*
- D) Relevance of his/her findings today.*

### Phase I:

Interested students should send their camera-ready paper to [academics@aisat.ac.in](mailto:academics@aisat.ac.in) on or before **Feb 10, 2012** along with the details as shown in the format given in the next page. All entries will be examined by an expert committee. Ten entries will be selected for presentation. This will be intimated via e-mail to the concerned participants latest by **Feb 16, 2012**.

### Phase II:

Participants will be given 15 minutes for presentation and thereafter 5 minutes for interaction.

### Judging criteria:

The expert committee will evaluate the presentations for their originality, content, and impact created by the contestant.

## ELIGIBILITY

Students of any branch of Engineering from AICTE approved Engineering Colleges in Kerala are eligible to participate in the programme.
